

bibliotheca libraryConnect™

Meet libraryConnect™, the only place you need to visit to optimize your library equipment, review detailed revenue and usage reports, and communicate with both bibliotheca staff as well as other library users.

Everything in one place

All bibliotheca related software and services can be accessed online 24-hours-a-day, making it quick and easy for you to access information.

Real-time 'live tiles'

Your unique library dashboard is comprised of 'live tiles' that provide easy access to multiple systems. Dynamic information is displayed in real-time to offer an overview of information at a quick glance.
